Bachelor's in Computer Science CGPA : 7.44 / 10	VSM College of Engineering , Ramachandrapuram	**Expected 2025** **AP , India**
Intermediate (MPC) Percentage : 67%	Aditya Junior College, Kakinada	**2019 - 2021** **Ap , India**

Skills

Programming Languages	C , Python , HTML , CSS , Javascript
Data Base	MySQL
Developer Tools	Git Hub, Visual Studio , Anaconda , Figma (Designing)
Academic Coursework	Data Structures , Operating systems (Windows , Unix/ linux), DBMS
Certifications	Enterprise Data Science (IBM) | Accenture Developer Program (Accenture) | Cloud Computing (Zenecks Info Tech)

EXPERIENCE

MangosOrange Services Pvt .Ltd | Software Developer - Intern | Remote　　　　　**Jul 2024 - Present**

- Developed and Deployed the front-end part Redesign of MangosOrange webiste in which we used HTMl , CSS , Javascript to enchancing efficiency and user experience
- Contributed to regular code reviews and collaborated with Backend team members to enhance code quality and adhere to best practices.
- Collaborated with UI/UX designers using Figma to create intuitive and visually appealing user interfaces for web applications, improving overall design consistency and user experience.

PROJECTS

Go Hackathon: Developed an intuitive, responsive front-end for a service platform offering webinars, internships, training sessions, and more, using HTML, CSS, and JS. We built reusable components for the platform's event listing, registration, and user profile management, ensuring smooth navigation and easy program enrollment.

Extra Circular Activites

- Acted as the primary liaison between Zenecks Info Tech and students at my College, promoting company initiatives, events, and opportunities on campus.
- Awarded 1st place for delivering an engaging and well-researched PowerPoint presentation on Web Mining during a Cache event at my college.
